Annual budget for cable assemblies and wire harnesses: \$

Applicable Industries: (check all that apply)

Aerospace	Electronics	Photovoltaic	Test & Measure	Other
Agriculture	Medical/Pharma	Recreational	Transportation	Other
Automotive	Military	RF/Communications	Utility	
Computer/IT	Packaging	Semiconductor	Water Treatment	Other

Current Sourcing:

New Product

Existing Product: Internal External Offshore

Customer Supplied Material:

Yes No

Permission to Release Name to MJM Industries Vendors:

Yes No

Items to be Quoted

SKU #1	EAU:	Release Quantities:	Target Price:
SKU #2	EAU:	Release Quantities:	Target Price:
SKU #3	EAU:	Release Quantities:	Target Price:
SKU #4	EAU:	Release Quantities:	Target Price:
SKU #5	EAU:	Release Quantities:	Target Price:

Product Requirement:

3D Prototype: No Yes Quantity: _____
(No more than 5)

First Articles Needed: No Yes Quantity: _____
(No more than 5)

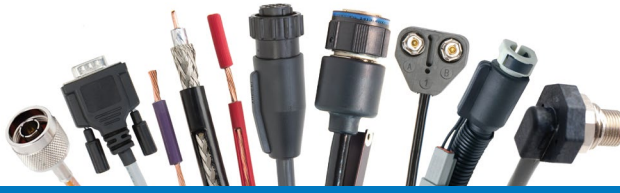

Timing of Deliverables:

Date of Concept:

Date of First Article:

Date of Production:

Additional Relevant Information:

Technical and Design Considerations

Condition of Use/Environment: (check all that apply)

- | | | | | |
|------------|---------------------|-------------|-------------------|-------|
| Chemical | Extreme Temps | Marine | Outdoor Static | Other |
| Clean Room | Halogen Free | Noise (EMI) | Tight Bend Radius | |
| Dynamic | Hazardous Locations | Oil | Wet | Other |

IP Rating:

Temperature Range:

Chemical(s) Exposure:

Standards/Certifications: (check all that apply)

- | | | | | |
